

**Horningtoft Heritage Society Report**  
for Parish Meeting Wednesday May 17<sup>th</sup> 2023

The exhibit of photos and other information collected from the Coronation and other Jubilee years to commemorate the Platinum Jubilee remained in place until after the death of our Queen Elizabeth II.

Pauline Chapman has displayed photos and information in the Church for the Coronation of King Charles III. She also applied for and received a grant from Breckland District Council to purchase Coronation Mugs for children of the village and families who attended the Coronation celebration on Monday 8<sup>th</sup> May.

We hope to be able to exhibit the information from the 1921 Census in the church later this year. Will take a while to research all the Horningtoft families.

Pauline has continued to update the website <https://www.horningtoft.org> It was via the website that Kathy McDonald from New Zealand made contact. Kathy's Ancestors the Franklyn family went to Australia from Horningtoft in the mid 1840's. She is visiting the UK and I will be meeting with her at the church on Tuesday 30<sup>th</sup> May, unfortunately Pauline will not be available when she visits.

Last year we were having problems finding a Bank which did not charge us for having a Heritage Bank Account. Pauline has now been able to open an account with Lloyds.

Heather Gooch Chairperson  
Horningtoft Heritage Society.
